YESTERDAY'S GAMES. Youngstown 4, Wheeling 0. Columbus 6, Dayton 1

TO-DAY'S GAMES.

Wheeling at Wellsburg,
Toledo at Mansileki.
Youngstown at Ft. Wayne The Wheelings were shut out for the fourth time this season, yesterday afternoon by the tall-ender Youngstowns, simply because Pitcher Guese (whom Wheeling could have had a fortnight ago) pitched an article of ball that was superb and which the Stogle batsmen were utterly unable to negotiate. Par dee, too, pitched great ball, good enough in fact, to win four games out of five.

Wheeling got three safe drives, an of these only one, a single down the third base line by Outfielder Meany was an out-and-outer. The others were scratch hits. Guese's pitching was really wonderful in the face of the ragged support he received from his team In the first inning Gilbert hit for o

single, went to third on Bay's sacrific and scored on Lynch's outfield fly to Meany, Gilbert scored another run for Youngstown in the third on a base on balls, Rothermel's fumble of Bay's grounder, and a single by Lynch. The two other runs scored by Youngstown came in the eighth on doubles by Lynckand Reiman and a triple by Noblitt.

Wheeling had a chance to scor enough runs to the the score when, with the bases full, Boyd hit a terrific liner to deep left-center, but Bay made a remarkable sprint and a phenomenal catch that saved the day for the visi-

#### BASE BALL COMMENT.

The Wheeling go to Wellsburg to-day, and in the afternoon cross bats with the strong Wellsburg semi-professionals in an exhibition game.

To-morrow, at the Island park, the Wheelings open a series with the Day-tons. Columbus has just trimmed the leaders two straight, and may recent the dose to-day, and certainly Wheeling ought to take at least two out of three from the lads from the banks of the

### SCHMULBACH'S BIG WIN.

The Wheeling Horseman Pulls Down \$7,000 on an Investment of \$500, at the Cleveland Races, Betting on His Horse, Sister Alice.

CLEVELAND, O., July 24 .- Anothe world's record was made to-day at the Glenville track, when the black gelding, Coney, by McKlnney, paced the second heat of a race in 2:02%.

This is the fastest mile ever paced by a horse in hopples. Frank Bogash has held the record for three-years at 2:04%. It was also the fastest mile ever paced on the Glenville track. What made the performance of Coney all the more re under the wire. It'was the second heat of the 2:06 pace. Prince Alert took the lead at the start and held it to the half, which was covered in 1:001/2. Then Mc-Henry began to push Coney, who was four lengths behind the leader. At the three-quarters, which was made in 1:31%, he had caught Prince Alert and he was going so fast that McHenry pulled him down and he jogged under the wire an casy winner. There was another big crowd press

but the weather threatening until about 5 o'clock, when a heavy shower fell, turning the track into a river and causing the postponement of the 2:13 pace and the 2:25 trot. The betting was heavy, most of the money being placed in the 2:06 pace and the 2:14 trot. In the latter race Edwin B. was a favorite, but he was beaten by Sister Alice, a rank outsider, who sold for \$15 and \$20 in pools of \$500.

Henry Schmulbach, of Wheeling, W. Va., the owner of Sister Alico, took \$7,000 out of the pool boxes on an investment of \$500.

Coney was favorite at \$50 to \$45 for Prince Alert.

In the 2:15 trot there were fourteen starters and it took an hour to get the horses going in the first/heat. That horses going in the first/heat. That seemed to destroy the chances of Mer-riment, an early favorite. Edwin B. rushed to the front and led to the wire, Merriment being unable to catch him. In the second and third heats Edwin B. led to the stretch, when Sister Alice overhauled him and won with ease. In the fourth heat Sister Alice led all the way round.

In the 2:06 pace, Prince Alert won the first heat, increasing all way round the lend he had gained at the quarter William Mc., and The Mald fought for place. After Coney had won the second Prince Alert come out fresh for the third heat. He led to the half, which was covered in 1:01. Then Coney was sent along at a lively clip, winning in 2:04%, Ace beating Prince Alert for

He is Willing to Take on the Winner of the Ruhlin-Fitz Go.

NEW YORK, July 24.-Jim Jeffries ants to have another fight before the Horton law expires on September 1. He says he will tackle the winner of the Ruhlin-Fitzsimmons fight on August 25 if the match can be arranged.

At the present time Jeffries is really in no condition to fight anyone. His mighty left arm, which he injured last November at Asbury Perk while tossing the medicine ball, has just been unharnessed from a steel and leather device which has for weeks kept the injured member almost continuously bent. For a month before the harness was put on, the arm was in a plaster of paris cast, which allowed no movement whatever. In the harness it could only be used to a certain extent.

The harness is made of four leather belts, inclosing the arm one above the wrist, the next around the forcarm, another just above the bend of the elibow and the last drawn taut around the arm just, below the shoulder. Connected with each of the leather belts is a bar of steel running from the top strap to the wrist with a hinge-like joint at the elbow. mighty left arm, which he injured last
